WATER USERS AGREEMENT

Date: _____

I, _____, hereby makes application to Eastabuchie Utility Association, hereinafter called EUA, for water service.

In consideration of EUA providing water service to me, I agree:

1. To pay all necessary installation and/or connection charges as required by for water service.
2. To install and maintain at my expense all necessary service lines, plumbing and fixtures to enable the property owned by me to be connected to EUA's water meter.
3. To pay all monthly charges beginning with the first complete billing cycle after water service has been established at EUA's water meter on my property. I understand that regardless of whether or not I have installed the necessary service line or have consumed any water, I will still be required to pay the necessary monthly minimum established by EUA. I further understand that if I do not receive a statement of current monthly charges it is my responsibility to contact EUA during normal business hours to arrange payment; and the fact that I have not received a water statement does not waive my responsibility to pay those charges or any late assessments or service charges that result for my failure to remit the proper payment when it is due.
4. To use the water I accordance with the rules and regulations established in EUA's Bylaws and Amendments which includes prohibiting me from connection or allowing the connection of other residential dwellings or business to my water service.
5. To properly notify EUA when I change mailing addresses, if I relinquish control of my property or for any other reason to request that water service to my property be terminated.
6. To grant EUA, its successors and assigns a perpetual easement in, over, under, and around my property with the right to erect, construct, install, and lay, and thereafter use, operate, inspect, repair, maintain, replace, and remove water pipelines and appurtenant facilities together with the right to utilize adjoining lands belonging to me for the purpose to ingress to and egress from EUA's easement.
7. AUTHORIZATION- The applicant agrees that they have followed the guidelines set forth by the State Department of Health regarding onsite wastewater disposal.

In consideration of my payment of all charges necessary for the installation and/or connection of water, EUA agrees:

1. To make every effort to provide continuous supply of safe potable water to me. I understand that at times due to equipment or power failures, water main breaks, weather related damage, and other unpreventable circumstances that the supply of water to my property may in interrupted. I understand that a guarantee of an uninterrupted supply of water cannot be granted by any water utility including Eastabuchie Utility Association, and that if my residence or business requires a continuous supply then it is my responsibility to install at my expense the necessary equipment to provide an alternate water supply. I further understand that I am required by law to notify EUA of my intention to connect an alternate supply and that EUA is required by law to inspect the supply to insure that I have included the required backflow devices to prevent possible contamination to EUA's water distribution system.
2. To charge me each month the established minimum charge plus applicable rates according to the actual flow usage registered on EUA's water meter and estimated charge based upon my historical consumption and that I must be notified that the charges are based upon usage estimates. I also understand that it is my responsibility to provide proof of reading error or payment error to EUA I order to an adjustment to be considered.
3. To notify me of any changes in rates, policies, or amendments to the Bylaws of EUA.
